

I am an employer of a domestic worker (house cleaner, nanny, caregiver). **What do I need to know to comply with the law?**

What are my responsibilities as an employer?

What is the Domestic Workers Bill of Rights and **what does it mean for me?**

On Tuesday December 9, 2014 at 7pm the Brazilian Women's Group will hold a meeting for domestic worker employers to learn about the new Domestic Workers Bill of Rights. Lydia Edwards, lawyer at Greater Boston Legal Services and coordinator of the MA Coalition for Domestic

Workers, will come and explain the new laws and answer questions.
