"Histories and Stories" was held at the Brazilian Women's Group, every Friday, 4 to 5 pm, from August 5 to November 11, 2011. The project brought together Brazilian mothers and their children and was an attempt to restore the Portuguese language and Brazilian culture. They had lots of fun reading and telling stories. Free and funded by a grant from Allston-Brighton Children Thrive in 5.

FIELD TRIPS

The playgroup extended their activities to field trips, such as:

CHILDREN'S MUSEUM

At the Children's Museum children and their moms played in several areas. This activity was important to facilitated the interaction between mother and child.

MUSEUM OF FINE ARTS

At the Museum of Fine Arts children and their mothers visited the jewelry, Egyptian culture and musical instruments exhibitions.

MUSEUM OF SCIENCE

At the Science Museum the group attended a presentation on reptiles and other about rays. There were unforgettable moments of discovery.

STATE HOUSE

Trick or Treats at the People's Home. Families visited Senator and state representative offices to ask that immigrants and their children are not forgotten and are seen as an asset to the State rather than a loss.
Organized by MIRA.
